Minutes from the November Chapter Meeting

Attendees (please let me know if I missed you and we will correct): Carol Christian, Sophia Dengo, Anita Ammon, Naomi Koehler, Lauren Brennemen, Jordan (new member-don't have info yet), Christine Pulliam, Alice Li, Shannon O'Brien

We received a very nice thank-you card from Leticia Swann of Martin State Airport for the recently painted compass rose. The Air National Guard unit stationed at Martin also thanked us.

At the Mid Atlantic Section meeting, the Ginny Carlin Scholarship winner was announced—it was Shannon Obrien! Ginny Carlin's daughter, Barbara, and her husband, Tom, were in attendance for the announcement.

On Dec 10, we will have our holiday social. Because of the difficulty with finding a restaurant in a central location that can accommodate us, a vote was taken as to whether anyone wanted to have it at a restaurant, or a pot luck. The vote was the pot luck, and the choice is Essex Skypark. **Please let Maria Esparraguera know if you will be attending--**

The voting on the new MD logo is complete and the logo was approved by International--the new logo can be used for apparel sales, etc. Thank you Sophia!

Lauren Brennemen earned her Multi-Engine Sea Rating! Congrats Lauren!

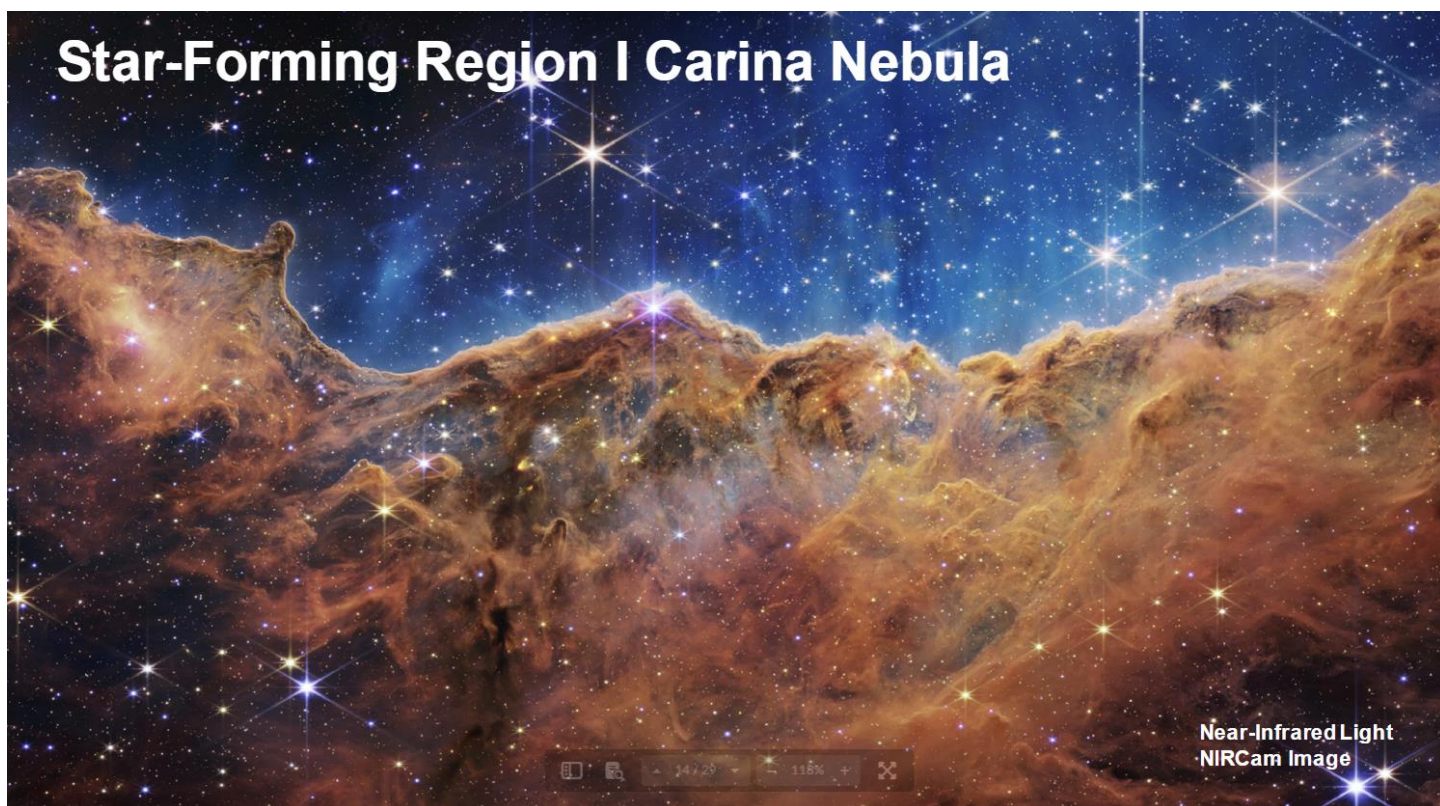

At the November Chapter meeting, Christine Pulliam and Carol Christian gave us a wonderful presentation on the Webb Telescope's First Look at the Universe. The briefing can be found at:

Its large, and we will be moving it onto the Google drive shortly-
